

Rake - Member App - Zombie Survival

Posted by Rake - 14 Sep 2012 01:20

Steam Name: |FP| Rake

Steam ID: STEAM_0:0:20394284

Steam Profile link: steamcommunity.com/profiles/76561198001054296/

Age: 17

I am From: United Kingdom

Member of the Steam Group?: Yes

Time spent on the server: 5 (Only played when the server was fairly active, if I was to play on my own it'd look like I was boosting my hours).

Time spent in FP: 13 Months

Do you use a Microphone?: Yes

Why You?: I believe I deserve a position in staff for a few certain reasons. I notice my hours may be low but I like to play when there's a few people on rather than just sitting in the server by myself. I believe if I was to be accepted into staff it would benefit the server's safety and well being as well as the player's level of enjoyment and giving them a good experience making them want to come back for more.

Thanks for reading
