

Broken Gmod!!!

Posted by Tanner Leteff - 03 Jul 2012 06:41

Everything on my gmod is broken! Guns are errors, everything is Pink and black, sky is void, heeeelp!
All i did that I can remember as added -high

www.mediafire.com/?fpwvge7r4k1k7d1

There is the entire picture file. Please respond immediatly!

could be a bad addon, or garrysmod/garrysmod/materials delete

could fix it
